# Industry Veterans To Pool Resources

Shaun McCamley Managing Partner Euro Pacific Asia Consulting Ltd and Niall Murray Chairman Murray International Group are to pool both groups resources in the areas of Integrated Resort Planning & Development Services.

Bringing more than 70 years experience and involvement in the gaming and IR industries, the principles of EPA and Murray International are joining forces to provide unrivalled expertise for clients looking for advice and help with the planning, development and operation of international standard Integrated Resort projects.

Through combining the extensive expertise of Murray International a firm with a strong history of working with governments, owners and operators to develop, open, operate and optimize leading tourism, mixed-use complexes, integrated resort, casino, hotel, food and beverage operations around the world, with the internationally recognised consulting firm Euro Pacific Asia Consulting who have provided expert services to established resort gaming operators in Australia, the United Kingdom, the Bahamas, South Africa, Eastern Europe and throughout SE Asia means a win win scenario for prospective clients.

" Murray International has been looking to broaden its IR service portfolio by partnering with a respected and knowledgeable firm able to provide that extra layer of expertise and experience in those operational dimensions critical to the success of world class Integrated Resort destinations. We believe that Euro Pacific Asia through their Managing Partner Shaun McCamley brings this and more to the table and we look forward to working with Shaun and EPA as we move forward in these exciting times"

- Niall Murray, Chairman Murray International
